Enlighten Your Dreams with
RRSIMT

“Creating an Environment for a
Better TOMORROW”

INFORMATION BROCHURE

Vision

Hon'ble Dr. Sanjay Singh & Rani (Dr.) Ameeta Singh nurtured a dream of creating A CENTRE OF EXCELLENCE in the field of Technical education and also to enhance the academic opportunities for the youth of rural India. There have always been hidden talent and deep desire in the rural youth to excel but they have not able to surface in to prominence on account of lack of opportunity and infrastructure.

Mission

The mission of RRSIMT is to achieve excellence in academics, and imparting of world class manpower in the field of Technology, Pharmacy & Management by creating LEADERS, INNOVATORS and ENTREPRENEURS with a deep sense of care for the mankind and contributing in the creation, application and adaptation of knowledge.

Chairman & Vice Chairperson's message

Dr. Sanjay Singh
Chairman, RRSIMT Amethi

Rani (Dr.) Ameeta Singh
Vice Chairperson, RRSIMT Amethi

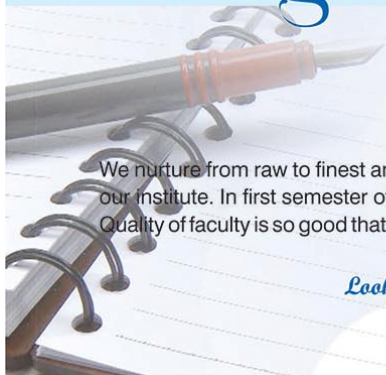

21st century is called as century of emerging Economies like China & India where these countries are driving the world growth. Further, this coming decade of 2010-20 is going to be an Indian Decade on account of ongoing reforms. There is a focus on infrastructure and also continual shift towards knowledge based economy. This transformation is throwing unique challenges as well as great opportunities for our upcoming young generation.

The paradigm shift towards knowledge based economy requires our young generation to be well equipped and trained not only to handle these challenges but also to seize the opportunities thrown by this golden Indian decade. Hence, an institute like RRSIMT plays an important and pivotal role in imparting required skills to our young generation and prepares them for professional world.

At RRSIMT, we aim to create an environment which not only imparts education but also builds creativity, values and respect for society as quoted by our great poet Rabindranath Tagore.

**“WHERE THE MIND IS WITHOUT FEAR AND THE HEAD IS HELD HIGH
WHERE KNOWLEDGE IS FREE.”**

Director's Desk message

Prof. P. Singh
Director General, RRSIMT
(Rtd.) Prof. - IIT Kanpur

We nurture from raw to finest and make sure that students excel in all the directions during their academic stay at our institute. In first semester of 2013-14, the college has already attained the top position in the eastern UP. The Quality of faculty is so good that within two years the college will have its position among top colleges of UP.

Looking FORWARD, Looking ONWARD, Looking UPWARD.

Rajarshi Rananjay Sinh Group of Institutions.

“Amethi and Education have always been synonyms”

The Late Raja of Amethi, Rajarshi Rananjay Sinh had a vision, to develop constituent of Amethi by improving the educational qualification of local people. With this vision Rajarshi Rananjay Sinh established first educational Institute in the year 1916. The Late Raja of Amethi, Rajarshi Rananjay Sinh had a vision of creating value through knowledge was further carried out by his Son Dr. Sanjay Sinh and Daughter-in-law Rani (Dr.) Ameeta Sinh.

Today the society has Ten (10) well established educational campuses spread over more than 100 acres named as :

- ★ Ranvir Rananjay Post Graduate College (**NAAC "A" Grade Accredited**), Amethi .
- ★ Rajarshi Rananjay Sinh Institute of Management & Technology, Munshiganj, Amethi.
- ★ Rajarshi Rananjay Sinh College of Pharmacy, Amethi.
- ★ Rani Sushma Devi Mahila Mahavidyalaya, Amethi.
- ★ Sri Ranvir Inter College, Ramnagar, Amethi.
- ★ Rani Sushma Devi Girls Inter College, Munshiganj, Amethi.
- ★ Sri Ranvir Junior High School, Ramnagar Amethi.
- ★ Rajarshi Rananjay Vaidik Bal Vidya Mandir, Arya Samaj Amethi.
- ★ Rajarshi Rananjay Sinh Asaldev Mahavidyalaya, Piparpur. Amethi.
- ★ Krishi Vigyan Kendra, Sitapur.

Amethi Palace

Our Salient Features

- ✓ 10 Well established institutes.
- ✓ Excellent infrastructure & Laboratories.
- ✓ Scholarship for Meritorious Students.
- ✓ Nurtured by IIT & IIM Alumni.
- ✓ More than 100 acres campus.
- ✓ 3 AC Computer Labs with 5 MBPS Lease line Connectivity.
- ✓ State of Art Equipments.
- ✓ Education Loan Assistance.
- ✓ Tie up with various industries.
- ✓ Modern Auditorium cum seminar hall.

Courses Offered

Undergraduate B.Tech

- Civil Engineering (CE)
- Computer Science & Engineering (CSE)
- Electronics & Communication Engineering (ECE)
- Electrical & Electronics Engineering (EN)
- Information Technology (IT)
- Mechanical Engineering (ME)

Post Graduate MBA

- Master of Business Administrator (MBA)

About the Courses

Civil Engineering

The oldest branch of engineering involving small and big construction activities like building, apartments, houses, shopping complexes, auditoriums, theaters, stadiums, roads, airports, tunnels, bridges, water supply & sewage system etc which are the part of the vast trade of civil engineering.

Computer Science & Engineering

Software, hardware, computer design and development better for efficiency is the main area of CSE.

Electronics & Communication Engineering

Application to electronic circuits in transmission & reception of waves for telecommunication, navigation, broadcasting and other relevant processes is dealt in this specialization of Electronics and Communication Engineering.

Electrical & Electronics Engineering

Use of components & Basics circuit in power supply management for maximum efficiency with minimum losses to fulfill consumers demand economically is the main area of study in this specialization.

Information Technology

Derived from the core branch of computer Science and engineering IT is more concerned with the application of strategy & development of computers in day-to-day processes of informative, financial and entertainment.

Mechanical Engineering

Development of frame work for power generation, automobile industry, metal extraction, forging and making wires/sheets etc. are some of the main areas where Mechanical Engineers can fit into.

Master of Business Administration

Today's era is dominated by liberalisation, privatisation and globalisation. Hence we are providing quality education to MBA students meeting the corporate requirements by adopting the latest teaching and learning methodologies.

Infrastructure

Library

Computer Centre

Accommodation

Seminar Hall

Library

- Our library functions from 8:00am to 8:00pm on all working days.
- The library is a repository of 1800 titles with around 24000 volumes.

Computer Centre

- More than 300 computers with 5MBPS lease line internet facility.
- All departments including the library and administrative block are on LAN with a central server in computer Lab.

Guest House for Parents.

- Every care is taken to provide comfort to visiting parents who can stay at fully furnished guest house.

Accommodation

- Boarding facilities are available for boys and girls separately for more than 300 students.
- Rooms are clean, well ventilated and fully furnished for its residents.
- Mess is provided for its residents which serve breakfast, lunch, tea and dinner to its students catering to individual tastes.

Auditorium Cum Seminar Hall

- The conferencing and cultural needs of the students are taken care of by the modern auditorium cum seminar hall equipped with latest audio-video facilities.
